

NEMASKA
DEVELOPMENT CORPORATION

We are hiring!

Flight dispatcher

The Flight Dispatcher for Nemiscau Airport is responsible for coordinating airport operations, regulatory compliance, and safety. This key position is aimed at a detail-oriented individual with good operational judgment, who wishes to actively contribute to the smooth operation of an airport that is essential for Northern Quebec.

RESPONSIBILITIES

- Supervise the operation and maintenance of the airport.
- Ensure compliance with civil aviation standards.
- Coordinate emergency plans and airport security.
- Write weather reports and conduct safety inspections.
- Collaborate with government authorities and safety committees.

WORKING CONDITIONS

- Location: Nemiscau Airport, QC.
- Schedule: 15/13 (15 days of work, 13 days off).
- Salary: \$80,000/year.
- Benefits: Defined benefit pension plan, group insurance, availability bonus, transportation allowance.
- Housing provided (furnished room, services included).
