Senior Heavy Equipment Mechanic

NEMASKA
DEVELOPMENT CORPORATION

The Senior Heavy Equipment Mechanic at Nemiscau Airport (CYHH) performs skilled and advanced work in the inspection, maintenance, and repair of heavy vehicles and machinery used for airport and runway operations. This key position is ideal for an experienced professional who takes pride in ensuring safety, reliability, and the smooth functioning of an airport that serves as a vital link for Northern Québec, while training and supporting other mechanics on site.

RESPONSIBILITIES

- Inspect, diagnose, and repair complex mechanical, hydraulic, electrical and pneumatic systems on heavy equipment.
- Overhaul and replace major components such as transmissions and engines.
- Operate heavy equipment for testing, maintenance and operations.
- Plan and coordinate preventive maintenance on all vehicles and machinery.
- Test repaired equipment to confirm performance and reliability.
- Train and guide other mechanics to ensure proper maintenance standards.
- Keep accurate records of repairs, inspections, and maintenance activities.
- Follow safety procedures and ensure compliance with workplace regulations.
- Improve maintenance practices to increase efficiency and reliability.
- Perform additional mechanical repair work as required.

REQUIREMENTS

- DEP or diploma in professional studies in Heavy Equipment Mechanics or Construction Equipment Mechanics.
- Canadian Mechanic Training or certification such as Red Seal or CQP.
- At least 7 years of experience as a Heavy Equipment Mechanic.
- Strong mechanical abilities in hydraulic, electrical and diesel systems, including schematics and diagnostics.
- Have a valid Class 3 driver's license.
- Operator certification is required.
- Fluent in English in both writing and spelling.

WORKING CONDITIONS

- Location: Nemiscau Airport, QC.
- Schedule: 40 hours per week.
- Salary : 40\$ /hour
- May be required to travel.
- Six paid trips back home per year in Quebec or Ontario.
- Lodging is provided.
- Benefits: Defined benefit pension plan and group insurance.
